

11th meeting of the BRICS Astronomy Working Group

13 to 17 October 2025

Instituto Nacional de Pesquisas Espaciais (INPE)
São José dos Campos, São Paulo, Brasil

Holographic Plasma Nanospacecraft

Carlos Lobo

First Name:	Carlos
Last Name:	Lobo
Institution/Affiliation:	Starfuel
Country of Residence:	Brasil
Preferred type of presentation	Oral
Will you attend in person or online?	—
Email	carloslobo@starfuel.network

Abstract

It's an experimental nano-nuclear fusion reactor of D/T for propulsion systems on nanospacecraft based on the holography derived from plasma smooth structures
